REVIEW OF EMERGENCY PURCHASE

In February one of two pumps at the Aquatic Center stopped running and could not be repaired. The remaining pump would not be capable of maintaining proper pool temperature or chemical balance and was also nearing end of useful life. Two bids were received. One from DC Pool Service for \$10,700 and one from Jessie Ethridge Pools for \$16,800. The County Manger and Purchasing Director authorized an emergency purchase to replace both pumps for \$10,700 from DC Pool Service. This purchase was not anticipated or budgeted for FY2020. A budget amendment to transfer \$10,700 from contingency to Aquatics Center small equipment.

Motion made by Commissioner Riden, Seconded by Commissioner Harris to accept the emergency purchase and approve a budget amendment to transfer \$10,700 from contingency to Aquatics Center small equipment. Unanimously Approved.
