At the Center...

The Morgan County Senior Center is a beautiful, handicap accessible facility re-established March 2003 within the historical district. Our Senior Center is dedicated to providing recreational and social leisure programming for adults 60 and older. The Center has an inviting atmosphere complete with comfortable furnishings and a large dining area. A nutritious lunch is provided Monday thru Friday. Home delivered meals are available to those who qualify.

We offer a wide variety of programs, services and activities, including day trips, games and bingo, exercise and fitness classes, line dancing, water aerobics, computer lab, Wii games, ceramics and crafts. Our Transit system can provide transportation to our Center, if needed.

We are full of life and experience the joy of friendship and laughter together. Seniors who utilize our building during the day are self-sufficient.

So... do not be deceived. Come in and see for yourself what a blessing it is being surrounded by friends and staff who make your day entertaining and enjoyable. If you are interested in gaining new friendships, broadening opportunities for personal growth, and gaining satisfaction for life through involvement in activities and programs, come by, sign up and experience the time of your life!

Opportunities to Serve...

Volunteers play a vital role here at the **MCSC**. There are various services where volunteers can step into the staff's shoes. **Outreach, friendly visitation and home delivered meals** are crucial to home bound residents here in Morgan County. If you have a creative gene, you could be a valuable volunteer with our crafts and anyone is welcome to help with our regular activities. We have only a limited number of volunteers from churches and organizations who contribute their time to these worthwhile programs and services to meet the needs of Morgan County residents. We need **YOUR** help. If you have been thinking about serving your community, there could not be a more rewarding way to give of yourself.

Areas to Volunteer...

Meals On Wheels: Volunteers for mid-morning to noon delivery Monday through Friday.

Friendly Visitors: Volunteers willing to visit seniors in their homes.

The mission of the Morgan County Senior Center is to provide services which will improve the quality of life for our senior citizens.
