Required Documents:

The following process and documents are required if the project location is either in a Common Development, and/ or disturbing more than 1 acre, and/ or disturbance is 200' or less from any State Waters. If applicant is uncertain of applicability, please confirm with Planning and Development staff. Planning and Development staff will not be responsible for providing any of the following documents.

1. Completed application; application must be completed by the applicant. Planning and Development staff will not be responsible for completing any forms.
2. Minimum of two (2) copies of engineered civil plans (erosion control plans), must be submitted to Georgia Soil Water Conservation Commission (GSWCC), and approved before a Land Disturbance permit will be issued. When submitting to GSWCC make sure to include a return envelope addressed to Morgan County Planning & Development- 150 E. Washington St., Ste 200, Madison, Georgia 30650. Also, make sure forward an electronic copy of the initial plans to our office.
3. Land disturbance fee is \$65 per acre of disturbance; paid to Morgan County.
